Re: *Doe v. County of Rockland et al.* Case No.: 7:21-cv-06751

Dear Honorable Karas,

Please be advised that this firm represents Jane Doe in the above-referenced matter. In light of this, I am writing to the court requesting an extension of time to submit Plaintiff's Response to Defendant's Motion to Dismiss the Amended Complaint returnable for December 14, 2022. I have spoken to attorney Weissman who consents and does not object to our request.

I am requesting a two-week extension of time to submit Plaintiff's Response from December 14, 2022, to December 28, 2022. The reason for the adjournment is that I am scheduled to start trial in Federal Court in Washington D.C. and I received notification that there would be hearings today regarding jury selection issues. I received said notification on Monday. I have diligently attempted to finalize the papers by today, but I was not able to based on the aforesaid circumstances. Therefore, I am respectfully requesting a two-week adjournment to December 28, 2022. Opposing counsel consents to our request and does not object. I apologize in advance if this request has inconvenienced the court.
